## **Guidelines for Communion Meditation Development:**

- 1. Focus on Jesus' purpose. Please try and avoid going off on unrelated tangents.
- 2. **Keep it brief**. 2-4 minutes, please. (Remember this is not a sermon, and we also want to be considerate of primary/junior church children and teachers in the basement)
- 3. Strive to connect people to the purpose Jesus established. The Gospel.
- 4. Be creative. Paint a vivid picture of remembrance or a memorial.
- 5. Build a parallel idea. (From other Biblical references)
- 6. Make Jesus' sacrifice the only reason we are doing this. Communion IS the "life-blood" of the church.
- 7. Don't make Jesus' Memorial trivial. Show the significance of the ordinance.
- 8. Practice, practice, practice. So you can deliver this from your heart.
- 9. Spend time in prayer. Don't cheat God or your hearers.
- 10. Spend time in the Word. Jesus can be found in ALL 66 books of the Bible.

## **Guidelines for Stewardship Meditation Development:**

- 1. Focus on the joy of blessing others. (being an extension of God's "hand")
- 2. Focus on the privilege of participating in building the Kingdom of God on earth now. (laying a sure foundation for eternity)
- 3. **Keep it brief** (2-4 min.). (Again, remember this is not a sermon, and we also want to be considerate of primary/junior church children and teachers in the basement.)
- 4. Short vivid stories are attention grabbers.
- 5. Never, never, never, attempt to use guilt as a motivator.
- 6. Do not make reference to a budget shortfall, if we have any. (Don't "chase" after \$\$\$)
- 7. Give them a vision of what can be accomplished through our faithfulness.
- 8. Express the idea that we are in the business of sharing hope from God.
- 9. Make it positive.
