STOP FOLLOWING A CULTURE THAT DOESN'T FOLLOW GOD

There are two verses in the Bible that are written by the same author and seem to send an opposite message: *"Do not love the world or anything in the world. If anyone loves the world, love for the Father is not in them"* (1 John 2:15). That's pretty clear!

"God so loved the world . . ." (John 3:16). That looks like a big contradiction right there.

"The world" is used two ways in these verses. The first verse refers to the world's value system, and the second refers to the world's people. We are to love people, no matter what choices they make, but we are to hate the value system (e.g., prejudice, racism, injustice, sexism, war).

The problem is, we often get it reversed. We love the value system and hate the people. Christians do this all the time. Instead of being different, we can be just as materialistic, just as hedonistic, and just as enmeshed in the culture. That's backwards.

For the rest of your life, you'll face great pressures to conform to the culture. This was Israel's biggest problem for thousands of years. They wanted to be like other nations. Yet God gave them all kinds of moral, civil, and ceremonial laws to make them different *on purpose*. God has done the same for you and me. We don't live under Old Testament law, but God has told us exactly how we should live and how we get the wisdom and power to stand out in this world: *"Don't copy the behavior or values of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you, which is good and pleasing and perfect"* (Romans 12:2).

One reason you may not know what God wants you to do in life is because you may be too acculturated with this culture. Often this happens without you realizing it. But you can't think like the world *and* think like God thinks. You have to make a choice.

The problem with following culture is that it's all temporary. You need to follow something that is eternal: God's Word. Fill your mind with God's truth, and let it transform your life by changing the way you think.

Our church family and their friends and families:

Bill Bosner –having shoulder surgery.

Tammy Lang – she's suffering with dementia

Bill Shackle – The Doctors decided not to do the procedure on Bill's heart Rather than cutting nerves, they decided to treat it with medications.

Debra Snavelly – may have a torn meniscus.

Donna Sullivan - Erin Davis's friend, Donna, is improving and is more able to communicate. They told her about her accident and the news was disturbing to her. She has a fractured right knee and can't bear weight on it but they are giving her Physical Therapy to strengthen her upper body. She is possibly being discharged to Ryan and Mikayla's home where she will have 24 hour supervision.
